

OPEN STUDIOS BORGER STRAAT

PARALLEL TO ART ROTTERDAM

National and international artists present their work at the SKAR studio building. The 2017 Open Studios Borgerstaat is located a five-minute walk from the Van Nelle Factory, the main centre of the Rotterdam Art Fair 2017. During this fourth edition of Open Studios, 23 artists open their ateliers to the public. Also 25 invited guest artists and selected graduate students from the Willem de Kooning Academy will present their work. Moreover there will be a side program of artist talks and projects.
